Dave Louden

Dave,

On behalf of General Atomics Aeronautical Systems, Inc. (GA-ASI) we are very pleased to present to Symcoat Metal Processing our Supplier Award for outstanding Quality and Delivery performance in 2008. We are delighted to recognize the outstanding achievements of both your employees and suppliers who have all contributed to Symcoat Metal Processing's overall performance. Symcoat Metal Processing achieved a remarkable 99.87 % quality and 100 % delivery performance for all of calendar year 2008. We are extremely excited for your company and encourage you to continue to strive for excellence and continuous improvement.

We at GA-ASI, who rely on your services to support our customer's requirements for high quality and on time delivery; wish to thank you for your efforts to manage your Quality and Delivery performance.

Regards,
